# *Dedication*

**I**T is to our football team, who so nobly fought to bring us fame, and to their coach, Mr. S. A. Kole, that we gratefully dedicate this annual in the hope that we can thereby express in a small way our deep appreciation.

*The  
Tiger*

# *Introduction*

**I**F this annual will serve to arouse a little interest and a little appreciation now, and if in later years, it will vividly revive pleasant memories of happy school days, it will have served its purpose.

# School Song

Here's to our classes, here's to our lasses,  
Here's to the lads they adore,  
Here's to the Seniors so mighty, Juniors so flighty,  
Freshies and Sophomores,  
Let mirth and gladness banish all sadness,  
And as the days go by,  
You'll find us willing and ready, and firm and steady,  
Boosting for our old high.

## SENIOR HISTORY

It was four years ago when we first innocently wandered into the halls of E. H. S. with our hair slicked down and our faces bright and shining, eager to learn the mysteries of such high-sounding subjects as algebra and physiography. After having made several inquiries as to the whereabouts of that elevator which the Seniors had told us of, we finally came down to earth and trudged up the stairs with the others.

It was not long until we realized that we were not nearly so important as we had imagined—that the upper classman was always right, and that high heels and curly hair were essential to the happiness of our feminine contingent, while the male members of our class secretly yearned for muscles and a beard.

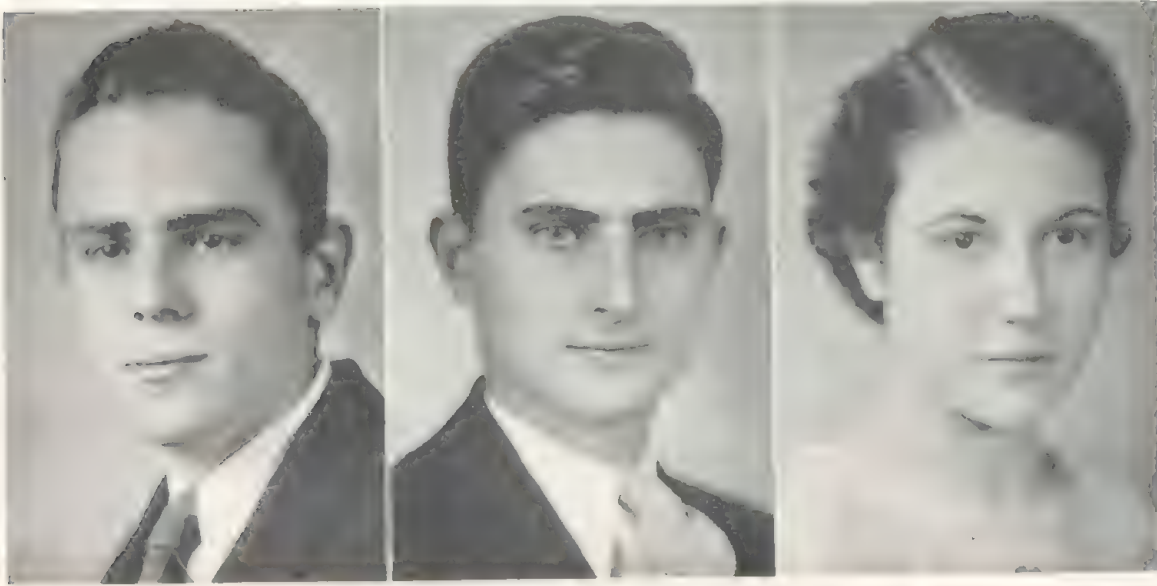

In spite of many efforts to intimidate us, we were not so easily subdued as might be imagined. Instead we ignored all rebuffs, and worked hard to master our studies and to do our part in support of our beloved Alma Mater. We tried to do our best and to bear our share of responsibility, and we believe we have been well repaid.

Each succeeding year has brought new honors and new glories to our ranks. We participated in all the activities and organizations conducted in the school, and in all we came to the top. Each season our leadership in musical enterprises, dramatics, athletics, and scholarship has been more distinctive and more outstanding.

And now has come the inevitable time when we must leave the sheltering portals of our Alma Mater—when we must part from those corridors which have so often echoed with our laughter, and from those staircases which have resounded with our footsteps day in and day out through four happy years. We must face the world, and gain our place there, leaving behind the teachers and schoolmates whose memories we shall always treasure as dear to our hearts. Although we must depart, we shall not forget this chapter in our lives, nor you, E. H. S. Whatever fame, whatever success may come to be ours will be a tribute to you, for to you we owe our all.

BETTY BROWN.

### SENIORS

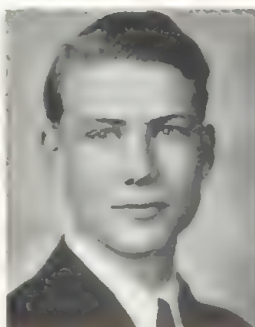

Through the length and breadth of all the land  
Is told the tale of this wondrous band,  
Who think that theirs is the height of fame,  
That they have all for a glorious name.  
How wrong they are; they've much to learn  
Of trials and heartaches beyond this turn.  
Oh, don't stop here, there's much to be done,  
For life has only just begun.

## JUNIOR CLASS HISTORY

Father Time again slipped up on us and the mighty Sophs of '32 have climbed another rung of the ladder of success. 'Twas a catastrophe, indeed, to the upperclassmen when we first set foot on the soil of our Alma Mater.

Let us turn back the pages of our Album, and recapitulate those good ol' days. The "Freshies" of 1931 were gallant blades and young buds who bore their burden of ridicule with courage. About this time Junior was endeavoring to master the family chariot. He was also engaged in the art of pleasing the fair sex, and soon found it to be an art. We survived under the leadership of George Handlon, president; Dolores Choate, vice-president; and Edna Longwish, secretary-treasurer.

Next we took up the duties of Sophomores. Offices were filled by Geraldine Giese, president; Eunice Wilharm, vice-president; and Clarence Hofeditz, secretary-treasurer. This time it was geometry that gave us insomnia, but we didn't give up—nay, we realized that this was only the beginning of life's difficulties, but there were plenty of angles to this subject. We started to give our share of tackles and touchdowns on the gridiron, keeping up the good work until now our stars shine as brightly as any. In social activities as well as athletics we came to the front.

So here we are as Juniors, still giving the Seniors a phantasmagoria because of our achievements. Many of us entered new fields this year, for instance: chemistry, French, and business subjects. In chemistry we all discovered the tubes quite breakable in more ways than one, and almost suffered a bad case of asphyxiation from hydrogen sulphide, having the odor of last year's Easter eggs. Then we had to stop stealing glances at the keyboard in typing, and always remember to keep eyes on the floor and feet flat on the copy—my error, feet flat on the floor and eyes on the copy.

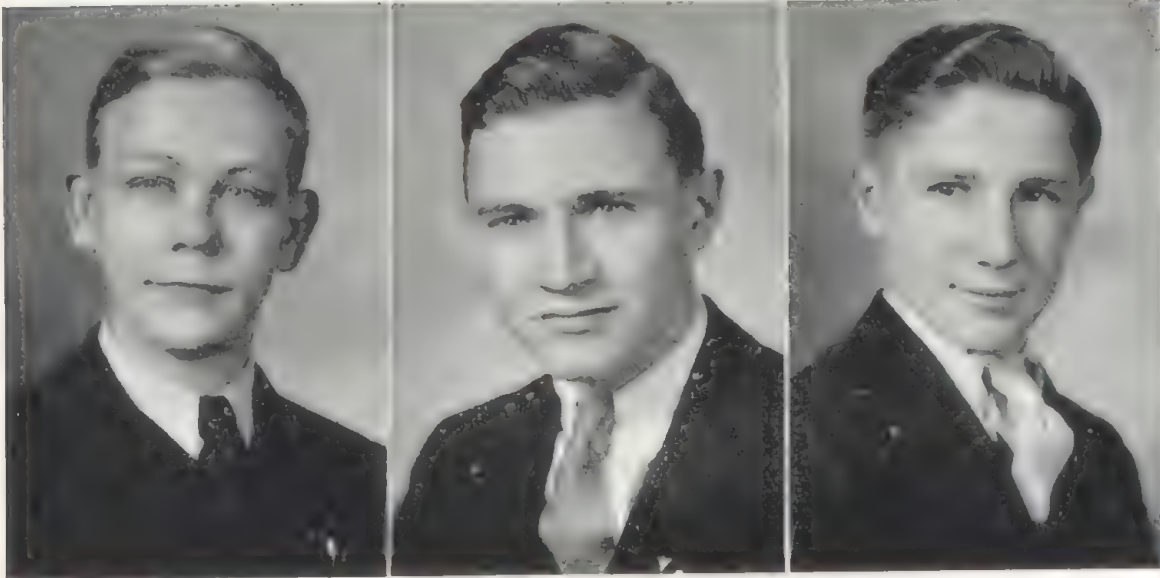

Many of our members have made an addition to facial decorations, glasses—the better to see you, my dears. Several were added to the roll and a prominent member, Jane Pringle, resumed her studies in the far West.

Do you know now who put the kick in football, who harmonized the Glee Club, who put the jeer, rather cheer, in the Cheer Club, and, above all, who leads the "duck sales"—'tis we Juniors.

Turning to the future, and our last year at E. H. S., let us hope to be as successful as in the past and always remember our "school daze." Time marches on.

Let's Go Gang!

DOLORES CHOATE.

### SOPHOMORES

They're up and coming, full of pep;  
 They know what they want and that's what they get.  
 They're lots of fun, and have a zest  
 That makes them give their very best.  
 They're always ready to do their part,  
 Always cheerful and kind of heart.  
 "Who's that?" you ask. "Why," I reply,  
 "It's the Sophomores of Edwardsville High!"

### SOPHOMORE CLASS HISTORY

We Sophomores attached ourselves to E. H. S. in 1932. At that time we failed to receive much attention from the upperclassmen; we were laughed at by them, teased and ridiculed, but we endured their pranks bravely, and came through unmarred. No matter what they said, or what pranks they pulled, we were able to keep our "chins up," and to prove that after all was said and done, we were the better men.

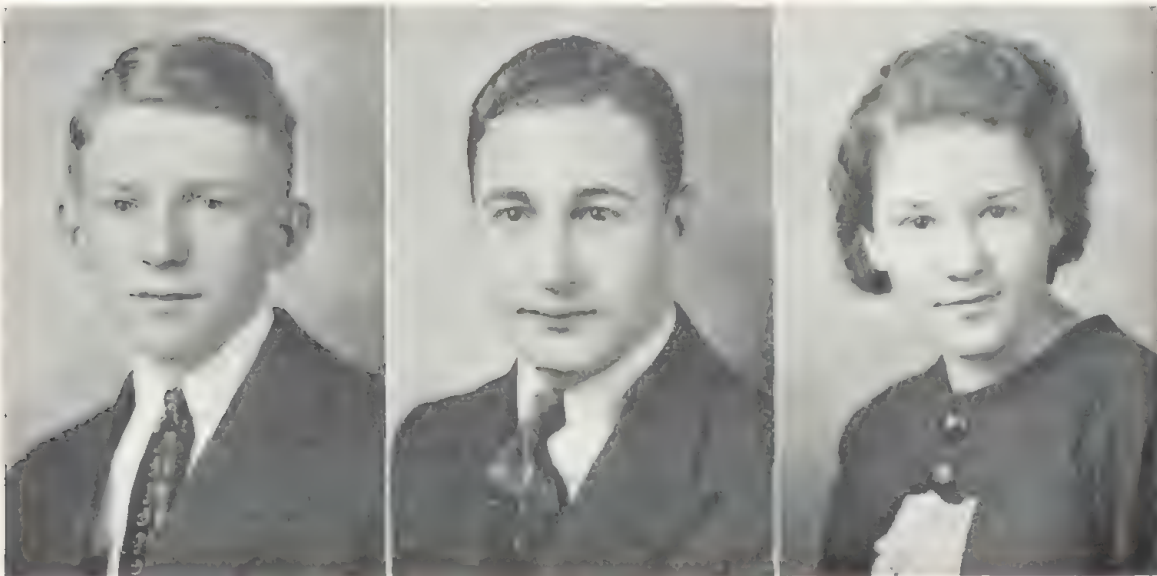

Now that we have entered our second year in high school, the story is a little different. The upperclassmen realize that we are no longer youngsters, and we hold an important place in the affairs of our Alma Mater. Headed by our president, Bill Lamkin; vice-president, Allister Stewart, and our small but mighty secretary and treasurer, George Brendle, we have taken great strides towards high goals and ideals. Now we are Sophomores and have the pleasure of looking down on the Freshmen—now we can tease them and use the upper hand for, after all, well, "Sophomores will be Sophomores."

Our achievements are really quite distinctive. We have our track men, our football stars, and our basketball heroes, all of whom are excellent in their respective fields. On the basketball squad, Sophomores were especially prominent, for they were the men of the hour. We have our singers and our musicians, and they are good ones, too. Then we must not fail to mention that our flappers and gold-diggers are first-rate and "know their stuff." In our odd moments, we study hard, and as a reward, we are outstanding on the honor roll. We are loyal supporters of E. H. S., and no one can say that the Sophomores are poorly represented in the school activities.

We are patiently waiting for the time to come when we shall be at the head of the list, and as the Seniors of '36, we shall cherish the memories of our Sophomore days.

### FRESHMEN

Into our halls you came of late,  
Guided there by a kindly fate;  
Vivacious, friendly, full of joy,  
We love you all, each girl and boy.  
Oh, may the years leave you the same,  
Still smiling as when first you came;  
And, little Freshies, don't you sigh,  
For you'll be Seniors, bye and bye.

### FRESHMAN CLASS HISTORY

"Hello, Freshie!" (Now comes a little unusual redness into the face of the person addressed.)

"Hi," says the meek little thing, thinking some one may bite him for talking.

This is quite typical of our manner when we first arrived in E. H. S. last September, but we've changed a lot since then. Although some of our elder schoolmates had a lot of fun teasing some of us, we've been able to show them that we can "take it." They have ceased all this now, for they have come to admire our good qualities and abilities. They have found that we really aren't so "green" after all. As a matter of fact, we have outgrown those tendencies, for it really won't be so very long until we shall be Sophomores. Then we can laugh at the next batch of Freshmen, who really will be "green" when compared to us.

There are two hundred and one in our family. Letters were awarded to many who are talented in different ways—tennis, basketball, and music. Although no letters were awarded for conversation, many are talented in this line, also. In spite of this, several of our brothers and sisters who came to High last September didn't make the certain grade and were detained at the famous Latin Hotel, in the town of Final Exam, Algebra County.

Although one of the Freshman boys says that "more women than men get married," our class has a large percentage on the honor roll. In fact, all lines of activity in our Alma Mater have Freshman supporters, and every one knows that when there is something to be done, we can be relied upon to do it and to do it right. We really marvel that the school was able to struggle along without our aid previous to this year! We can't understand it!

Our class officers: David Simpson, president; John Svaldi, vice-president; and Claragene Fox, secretary-treasurer, did their share in our Freshman-Sophomore Party to make it a great success. Although many of the poor, shy "mamma's darlings" had difficulties in trying to be bold and ask some of the girls to dance (?) around the Gym with them at the party, some not only tried but succeeded in being very satisfactory "gigolos." Everyone agreed that the party was a huge success.

And so with much hope for the future and satisfaction for the past, this is Station FRESHIE—signing off at exactly 3:40 E. H. S. time.

## FOOTBALL.

Edwardsville, 18—Jerseyville, 7.

The Tigers opened their 1933 gridiron season here downing the strong Jerseyville team by a score of 18 to 7. This was the first time the fans had a chance to see the "machine" that the new Coach Kole had built. The Tigers didn't waste any time in showing the fans their "stuff." They made two touchdowns in the initial period and one in the second. This ended the scoring till the last quarter when Jerseyville managed to push over a score. The fans went home satisfied with the rejuvenated Tiger team.

Edwardsville, 25—Mt. Olive, 0.

The Mt. Olive Miners came down to pay the Tigers a visit expecting to go home with an easy victory as they did a year ago. The Tigers continued where they left off in the Jerseyville game and scored a touchdown in the first quarter. The score at the half was only 6-0 although we outplayed them more than this score indicates. The second half was an entirely different story. The Kolenen went on a scoring rampage and scored another touchdown in the third period and two more in the last quarter; they completely outclassed their worthy opponents in this half.

Edwardsville, 0—Beaumont, 6.

The strong Beaumont team of St. Louis was the next to invade our camp. The Tigers suffered their first setback in this contest. Most of the first half was played on fairly even terms. In the third period the Tigers came the closest to crossing the goal as any time during the game. The last period showed that the superior man power of the heavy Beaumont team was beginning to tell on our small but mighty warriors. With about three minutes to go the St. Louis team managed to push over a touchdown by inches. The Tigers fought to the very end, and this point showed everybody that the team will never give up.

## Edwardsville, 6—Belleville, 0.

The Kolenen opened their conference season by journeying to Belleville and barely winning from the Maroons 6-0. This game was played on fairly even terms although the Tigers had their backs to the wall most of the first half. In the second half the Tigers showed their stuff and had the Belleville team back on their own goal line all of the last quarter with but a very short time left. The team is satisfied that Belleville will give somebody plenty of trouble before they get through.

## Edwardsville, 7—Wood River, 6.

Wood River came over next with high hopes of winning a championship this year. The Tigers had a few bad breaks the first quarter but they managed to get a touchdown with a few minutes left of the half. The Oilers came out with plenty of fight the last half and before the half was five minutes old they had a touchdown. A Tiger warrior broke through to block the extra point and this proved to be the winning factor. The Oilers were always dangerous and there were many exciting moments for the fans in this game. The gun sounded ending the game with the Tigers on their way to another touchdown.

## Edwardsville, 0—Alton, 6.

The Tigers now faced the team that would probably give them their toughest game of the Conference season. We needed this game to stay on top and Alton needed it to gain the upper berth. The first half was played in the middle of the field with neither team threatening to score. The third period was much the same but toward the end of this period Alton was pushing deep into Tiger territory. With about five minutes of the game left Alton pushed the ball over from the one yard line. The Tigers fought desperately to overcome Alton's lead, but the gun sounded before they could get a touchdown. The Kolenen went into a tie with Wood River and Alton gained first place after this game.

Edwardsville, 12—Collinsville, 0.

To many people this annual game with our rivals is the most important game on the schedule. The Tigers went down to Collinsville on Armistice Day and in the first half they scored two touchdowns and won the game. The second half Collinsville played a little better than they did the first half. In the third quarter they made their only bid for a score. The nearest they got to the Tiger goal line was the 12 yard line. The game ended with the Tigers fighting for another touchdown with the pigskin on the Kahok two yard line. To many of the fans, the season was a success because the Kolenen had downed Collinsville. The Tigers regained first place in this game due to Belleville's unexpected defeat of Alton.

Edwardsville, 6—East St. Louis, 0.

The East Side team was now the main obstacle in the path of the Tigers and the Championship. The team went down to East Side with the record of never having beaten an East St. Louis team. The Tigers were determined to break a record. They faced a very heavy team and the first half was played close to the middle of the field. The Tigers seemed nervous and weren't playing up to their standard. In the second half the Tigers came to life with a "bang" and outplayed their larger opponents but failed to score. The game looked like a scoreless tie when with but six minutes of the game left the Tigers got the pigskin on their own forty yard line and they never gave up the ball until they had a touchdown. With this victory a Championship looked certain with only the small Granite team in our way.

Edwardsville, 26—Granite, 13.

On Thanksgiving Day the Tigers met and defeated the Granite City "Happy Warriors." This game will linger in the memories of many as the most exciting game of the 1933 football season.

This game meant the championship or a tie for second place. The game opened with Granite receiving. The Tigers gained possession of the ball on the twenty yard line and marched 80 yards to a touchdown without giving up the ball. Granite kicked off and the Tigers got the pigskin on their own 30 yard line. They again marched to a touchdown. This time it was 70 yards without giving up their hold on the ball. This ended the scoring for the first half. In the third period the Tigers scored another touchdown, apparently putting the game on ice. The "Happy Warriors" suddenly came to life and scored two touchdowns in rapid succession, making the score read 19-13. Here at this point the Tigers showed they were entitled to be champs. They chose to receive and get the ball on their own twenty yard line and they marched 80 yards to their fourth touchdown. The game ended shortly after this and the Tigers were crowned Champions, thus ending a very successful football season.

## REWARDS OF A CHAMPIONSHIP.

The Tiger squad was entertained at a banquet on December 13 by the Chamber of Commerce. Le Rue Van Meter of Illinois College was principal speaker, and a very pleasant evening was provided. The lettermen were awarded silver footballs, and the subs got bronze footballs. Also, the Chamber of Commerce took the entire squad to see the Gunners play the Chicago Cardinals in St. Louis on December 16.

The annual Rotary Banquet was held on December 19 and the Tigers were presented with the large Rotary bowl. It is theirs for the coming year; however, a school must win it three times to keep it permanently. Gwinn Henry of the Gunners was the speaker at this affair.

## OUR HEROES.

*Captain Earle Ingels*—Having played at end on the varsity for two years, he was changed this year to a halfback position because of his speed and shiftiness. He was an excellent pass receiver who could go places after he caught the ball. He made the lone touchdowns in both the Belleville and East Side games for his best performances. He was given a halfback position on the All-Conference second team. We'll miss his chatter on the field next season.

*Captain-Elect Clarence "Gus" Hydron*—"Gus" played guard and was all the name implies. A very good blocker and tackler, he broke through the offensive line time and again to break up the opposition before they were started. We're glad he's back.

*Norman "Blondie" Probst*—Probst, a tall, rangy fellow, played end. He was a good pass receiver. His interception of those two passes at Belleville were his best showing. Look out for him next year.

*George Little*—A fellow with plenty of fight and nerve. He was very unfortunate in being injured his first three years, but he stuck like a fighter should and finally got a break and played tackle in fine style. He's one of those unlucky Seniors.

*Henry Dohle*—He was a real scrapper and a very valuable man to the team. He played guard and blocked and tackled as a good guard should. He could open a hole for his backs. He was a cool-headed chap who fought till the last whistle. We're sorry he's leaving.

*Urban Grebel*—This was his first year of football. He gained the centered position from the start, and though just a bit nervous at first, he soon settled down and became one of the best centers in the conference. His passing was excellent. A lucky Junior.

*Harold "Gump" Highlander*—In this, his third year on the varsity, "Gump" played a bang-up game at tackle. He tips the scales at 200 pounds, and uses all of it on opposing linemen. He was chosen All-Conference tackle. This speaks for his value. See you next year, "Gump."

*Orville "Windy" West*—"Windy" played any position in the line. He was a worker, and as fine a defensive player any coach ever had. Always talking, he was a very valuable man to the squad. We're sorry he's leaving.

*Barney Lanham*—Barney, in his fourth year on the varsity, played end in fine shape. He was probably the most valuable player on the team, for he played end, carried the ball from a halfback position, and played defensive fullback. This is the department in which he stood out. He could really back up the line. We surely hate to give him up.

*Gail Stubbs*—Gail, though only a Sophomore, played quarterback in fine style. When he called a play he knew just what he

was talking about. He passed, and punted too. We're happy to announce that he has two more years in old E. H. S.

*Roy Dees*—Only 135 pounds, but could he run? As a very fine halfback, he played safety and thrilled many a fan with his breath-taking runbacks. He gained a place on the All-Conference second team, being paired with Ingels at the halfback position. We'll see lots of fancy capers by him next year.

*Wilbur Zirges*—He proved himself the best fullback in the Conference by securing his place on the All-Conference team. He could hit that line with 200 pounds that probably felt like a locomotive to the opposing linemen. He could catch a pass and was a fine punter. Yeh! He's leaving too!

*John "King" Svaldi*—He's "King" of all tacklers, the best one in the Conference, and though this was his first year of football, though he came out late and didn't get his chance until near the end of the season, still when his time did come, he certainly looked good, especially to the fairer ones on the sidelines. He leaves too.

*August "Junior" Soehlke*—"Junior" is a big fellow who played tackle. He had his mind on basketball, but his feet in No. 11 football shoes. He played a very good game when called upon. He tackled hard. Yes, he'll be back next year.

*Louis "Slick" Chairney*—In spite of being just a little fellow of 130 pounds, he was plenty powerful and tackled on the shoe-strings. He was a fine blocker and cleared the path for many a gain. He leaves us with the rest of the Seniors.

*Willis Varner*—He's just a Freshman, but he played a good game at guard. He could tackle and block and was a fighter; he was always peppering up the players. He has three more years, so you'll hear plenty about him before he gets through.

*George Handlon*—This Junior who played tackle was a very smart football player who could outguess the opposition. He tackled hard and low. We're glad he's back.

*Jack "Red" Yates*—"Red" played the backfield and could run the ball very well. He also exhibited fine style in passing and punting. His showing in the Granite game will stand in the memories of the fans for many years to come. Look out for the "red-head" next year.

## RESERVES

This group was very valuable to the team, although they didn't see much action in the games. However, they saw plenty in practice. "Cannon fodder" became their nicknames because they gave the regulars some very hard workouts. They helped a great deal in winning the championships. Included in this group are: Bernard Birger—backfield; Calvin Bauer—end; Cecil Wells—tackle; Lawrence Kanady—center; Art Svaldi—tackle; Billy Catalano—backfield; and Kenneth Lingner—guard.

### CAPTAIN SOEHLKE

### LIVINGSTON THERE

The team journeyed to Livingston and played Livingston a very good game for their first game. We came back on the long end by a score of 14-11.

### JERSEYVILLE THERE

It seemed as though Jerseyville had not forgotten their loss in football, and they invited our basketball team up there. Oh, well, the result was sad, for they beat us 28-15.

### SALEM HERE

The basketball team played their first home game this season against Salem, and it was a thrilling game up to the time the gun went off. It just happened that they were up one point, the score, 14-15.

### MT. OLIVE HERE

The eager Tigers were out for a victory, and when Mt. Olive stepped up, it was a chance to start the winning side. So we did defeat them as you can easily see by the score, 22-13, our favor.

### LIVINGSTON HERE

The boys had won over this team before and it was a mighty close game, so the Tigers were looking for a good scrap, and it was. The score was in their favor, 23-18. Too bad.

### ALTON THERE

The Bengals journeyed to Alton to play their first conference game against the Red Birds. The game was so close that it took three overtime periods to decide it. They won 19-18.

### ALUMNI HERE

The Alton game must have worn the Tigers out because in the annual engagement the graduates walked off with a victory of 37-16. "The big brutes."

### BELLEVILLE HERE

It seemed as though the Tigers were going toward their first conference victory when they outplayed Belleville the first half of the game, but the visitors pressed ahead in the closing minutes of play. Score, 21-18. Close anyway.

### MADISON HERE

Our desire to win a conference game grew so strong that when Madison visited our camping grounds, we sent them home on the short end of an 18-17 score. We're off!

### COLLINSVILLE HERE

The team that is rated as the "Mighty Kahoks" came up here and was out-played by our Tigers, but in the last two minutes of play a sub was sent in by the Kahok coach and he got four baskets before anyone knew what it was all about. They won 24-18.

### EAST SIDE THERE

The loss to Collinsville seemed to have taken effect on the Bengals for they went to East Side and played a good game but couldn't hit their shots and East Side hit what few they got. The game ended 18-15, their favor. Wait a while.

### BEAUMONT HERE

The strong Beaumont lineup from St. Louis was invited to Edwardsville, and they weren't very nice about it because they took a victory home with them—24-35. We'll "get going" pretty soon.

### WOOD RIVER THERE

The boys must have got all their bad points out of them in the East Side game. They went to Wood River and carried off a win by a score of 27-26.

### GRANITE CITY THERE

The Tigers' next game was with the District Champs, and we outplayed them at the end of the first half. The score was very close with our team on top, but as the game drew near the end their lanky center put in enough to win the tussle. The score was 32-27. Thus ended the first half with a stand of two won and five lost.

### ALTON HERE

The boys buckled up their belts, and when Alton came over here, they sent them back weeping. This was a good start for the second half. The totals on the game showed Tigers—24, Red Birds—18.

### BELLEVILLE THERE

It looks as though the team has just started to play basketball for they made a trip to Belleville, and defeated them by a close margin, 21-20.

### MADISON THERE

Edwardsville went to Madison to face the Meat Packers. This was a very tough job for they had held Collinsville to 7 points on this same floor, but as the game went on it didn't seem to bother our team. The score shows that Edwardsville won 32-26. Now we're going places.

## COLLINSVILLE THERE

By this time everyone was behind the Tigers, and all followed to Collinsville, but were surprised when the Indians turned our winning tables by a score that wasn't so close, 26-13. However, the team is hoping to meet them again this year.

## GILLESPIE HERE

Gillespie was supposed to come to Edwardsville and show some real basketball, but it didn't seem as though they were. They had a tough job trying to down the Tigers. Although they had beaten Springfield, that didn't mean anything to our fighting team. Our boys did a real nice job of entertaining the visitors and sent them home with something to worry about—a score of 25-26. We should have won, believe it or not.

## GRANITE HERE

The Tigers were inspired by their showing against the strong Gillespie team and went out to beat the Happy Warriors. They put up a real battle to the end, but were beaten in the last minute by a field goal by Jateff from mid-floor. This ended the conference schedule.

## DISTRICT TOURNAMENT

Granite City won this year's tournament at Edwardsville by surpassing Collinsville in the finals for the second straight year. They also defeated Wood River and Alhambra in the earlier portion of the competition.

The game with Collinsville was one of the best games ever played on the local court. It was only after two overtime periods that the Happy Warriors were able to win. Musso, Stiens, and Merril of Collinsville were all barred from the contest early in the last quarter—this also proved a help to Granite. Taylor, who subbed for Musso, fouled Padgett with but eleven seconds of the second overtime period left. The Granite captain then made his free throw, winning the game and the tournament.

By this victory Granite won the right to go to the sectionals in Salem. Collinsville also played in the sectionals held on their own floor.

Edwardsville won third place in the tournament by defeating Wood River in a consolation game.

## OUR HEROES

*Captain Soehlke*—"Junior" was shifted from center to guard after "Peachy" Bayer was discovered. Soehlke started fast and kept up this pace throughout the season. A crack shot who could really hit the loop, he was chosen captain about mid-season, although he served in this role during the entire season. He'll be back again.

*Norman Fiegenbaum*—Norman played forward and was fast and a good shot. He played a fine floor game all the time. He was high-point man on the team for this season. He is a little light like the rest of our team, but he made up for this with his coolness—he was very seldom excited. A cool steady player. See you next year.

*Paul Burrus*—The "pepper box" of this year's team. He was a good shot and a fine floorman, but his main feature was the way in which he inspired the rest of the team with his fighting spirit. The bigger fellows had him on the floor quite a bit, but they never did hurt him. Look out for him next year!

*Walsh Bayer*—He didn't get on the team until almost mid-season, but when he did he certainly made his presence known, especially to opposing centers. He jumped right with the best of them and could hit the basket as well as anyone. We're all glad he's back.

*Colin Handlon*—Our "dynamite," small but mighty. He played guard and was picked by the experts as the best guard in the conference. He could hit the basket and his ability in breaking up opponents' plays was almost uncanny. He was nothing short of a mastermind in this department. They won't stop him next year.

*Billy Lamkin*—He played center and was a very valuable one when needed. He came through when called on and in the long run that's what counts. He could hit the basket and played a good floor game. He's back, too.

*Harrison Stubbs*—He was called out to play in the last conference game and again in the tournament when two of the regulars were out on account of sickness. He came through with flying colors and he deserves as much credit as anybody for the successful season. Too bad he's going.

*Gail Stubbs*—He was always ready to go in when needed and always gave his best. A good shot as well as a fine defensive player. Toward the end of the season he was taken down by a bad case of the measles and didn't get to play in the tournament. He is back next year and should give a good account of himself.

*Glen Spindler*—He could really hit the basket and in the long run this is the thing that counts. Being a Senior he wasn't called on until the team was handicapped by sickness; he finally got his chance and made good. Too bad he's a Senior.

## TRACK 1933

The first meet of the year was the Cross Country Relay from Edwardsville to Wood River. The "Oilers" finished first with the Tigers close behind and Granite third and last.

The annual Inter-Class Meet was won by the Sophomores with 153  $\frac{7}{10}$  points; the Seniors were second with 145  $\frac{2}{5}$  points; the Juniors next with 102  $\frac{1}{5}$  points; and the Freshmen last with 13  $\frac{1}{2}$  points.

The Dual Meet with Collinsville was won by Collinsville by the bare margin of 2 points. The Tigers had 60 points to 62 for the Kahoks.

The Dual Meet with Granite was won by the Tigers when they piled up 80 points to 36 for Granite.

The Conference Relays held at Granite City were won by the Tigers, who had 43  $\frac{1}{3}$  points; Wood River, who placed second, trailed with 29 points. East Side was third and Granite fourth.

The Quad meet held here was won by Granite with 46 points. The Tigers were next with 38  $\frac{1}{2}$  points; then came Wood River with Jerseyville last. This meet was held in a heavy rain.

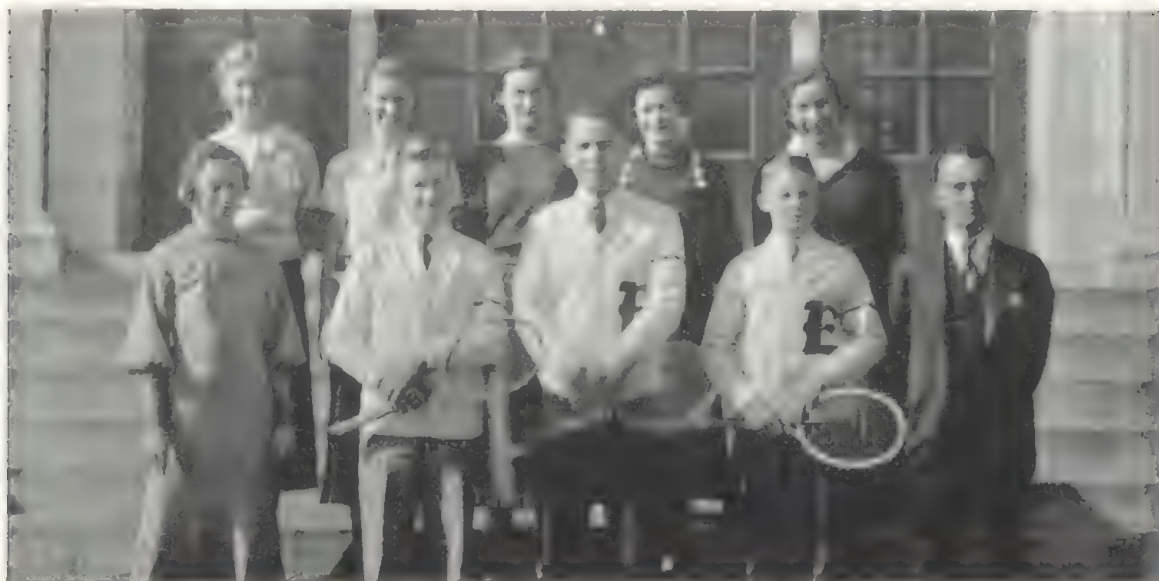

The District meet at Granite was won by East Side and the outstanding feature of this was that Baird and Dunstedter tied for second place in the pole vault and qualified for the State meet at Champaign.

The Dual meet with Madison was won by the Tigers when they ran up a total of 75 points; Madison had only 47 points.

The Conference meet held at Granite was won by Granite with 33  $\frac{1}{2}$  points. East Side was next with 32, and the Tigers third with 25  $\frac{1}{2}$  points, Collinsville fourth, Belleville fifth, Madison sixth, Wood River seventh, and Alton eighth and last.

In Junior meets the Tiger Juniors were victorious over Granite City and Collinsville.

### TENNIS

The conference season for the school year of '33 and '34 was held last fall instead of this spring. Various invitational matches will be played this spring.

The boys' doubles team composed of Bill Crossman and Colin Handlon won the conference championship in that division. They won seven matches without a single setback. In the singles David Simpson won two matches and lost three, and Harrison Stubbs lost two. Of these, Crossman, Handlon, and Simpson are lettermen.

The results are:

Sept. 9—Crossman and Handlon defeated Collinsville on a forfeit. Simpson also won the singles on a forfeit.

Sept. 16—Crossman and Handlon defeated Schermer and Kuenstler of Madison, 6-1, 6-0. Stubbs lost to Barnard, 4-6, 5-7.

Sept. 23—Crossman and Handlon defeated Bivens and Bowman of Wood River, 6-0, 5-0. Simpson lost to Goldberg, 4-6, 4-6.

Doubles won 7, lost 0.

Singles won 2, lost 5.

### BASEBALL

Baseball under the direction of Miss Quernheim is a sport which creates much excitement. It is played in the spring and fall after school, twice a week. The evenings are Monday and Wednesday.

### VOLLEY BALL

Miss Harris coaches volley ball. It is played in the spring and in the fall on Tuesday and Thursday evenings. The girls choose captains and then teams are chosen which compete against each other. It is quite popular.

### BASKETBALL

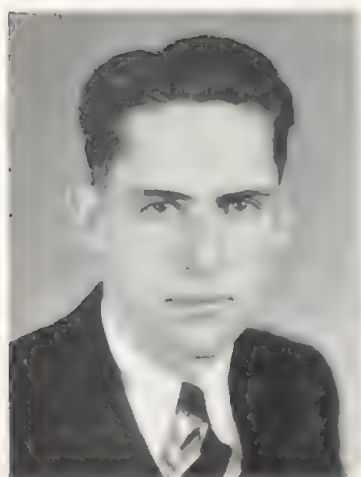

Basketball seems to attract the most attention of all girls' sports. It is under the able leadership of Miss Weigel. The different classes play against each other. At the end of the season a tournament is held. The Juniors were victorious this year. The winning team is usually entertained at a banquet.

### HIKING

The Hiking Club is sponsored by Miss Oliver. The club must hike sixty miles in eight weeks. The hikes are made once a week on Thursday evening. Several Saturday hikes are necessary to complete the required sixty miles. The hikes are taken in the fall and then in the spring.

## BAND 1933-1934

The Edwardsville High School Band, directed by Mr. Willis C. Varner and consisting of 92 members, is essential to the school spirit which centers around the athletic activities of the school. On the street, on the gridiron, and in the gymnasium, the strains from the band greet those assembled and aid in that inspiration which is so essential to successful school activities.

In accordance with the rules of the Illinois Bandmasters' Association, a District Contest was held at Belleville. There the band became one of the first rated in the district, and will go to the State Meet in Champaign. Here, should the band receive first honors, it will be permitted to enter the National Contest in Des Moines, Iowa. Among those who entered the District Solo Contest, over half were qualified to go to the State Solo Contest.

Our band is certainly an organization of which everyone in school may well be proud of the members who devote so much

### THE GLEE CLUBS

The boys' and girls' clubs are directed by Miss Edna Pergrem. Each meets twice a week to search for the lost chord, and thereby earns one-fourth of a credit a semester. One credit may apply towards graduation. Each member strives to earn his glee club pin which will be awarded to each one who has appeared in at least four public performances and has passed certain tests in music.

For the year of 1934 the Girls' Glee Club elected the following officers: president, Myrtle Hyten; librarian, who takes care of music, Maurine Powell; treasurer for first semester, Jane Pringle, and for the second semester, Laura Mae Riggs; chair janitors, Helen Hanser, Betty Tuxhorn, Kathleen Fitzgerald, and Marie Buckles; and accompanist, Betty Ann Guller.

The boys have the following for their officers: president, Charles Reichert; treasurer, Emil Stahlhut; librarian for the first semester, Harold Kribs, and for the second semester, Earl Monroe; chair janitors, Willis Varner and Allister Stewart; and accompanist, Julia May Attig.

The members of the glee clubs have made several appearances on the programs of civic organizations. Also, the two glee clubs furnished the music for one assembly program, using three-part music. They have been successful in working together, and they put over "Ask the Professor," the most successful operetta given in E. H. S.

## THE GIRLS' COUNCIL

Attention! Who should now appear on the scene but twelve outstanding High School girls, donned in their bright red blouses, ever alert to help make their school superior in all ways.

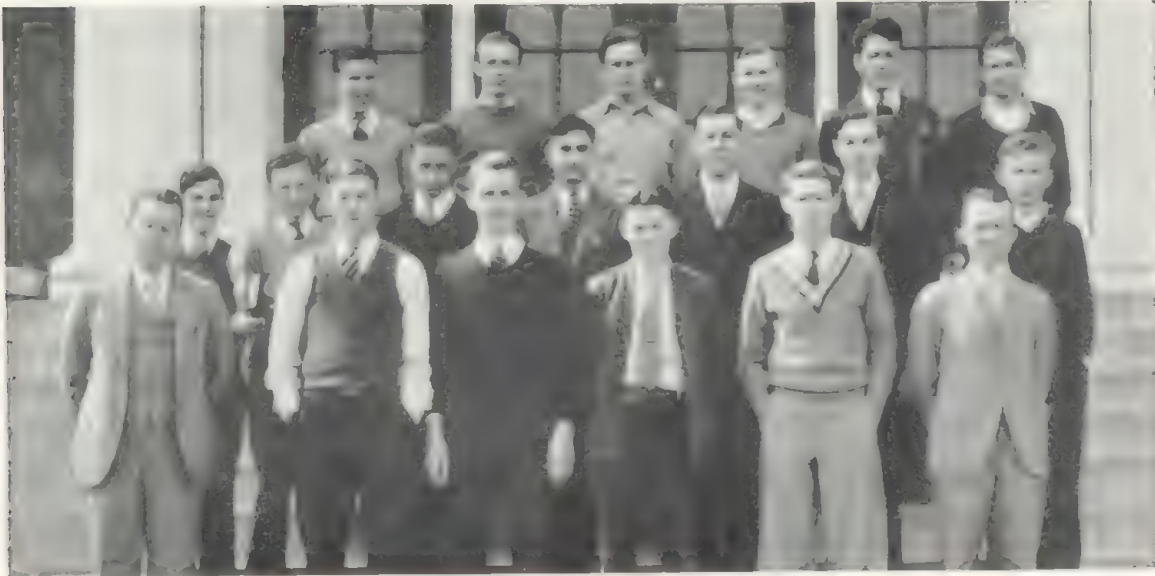

Where's the leader? Oh, here she comes!—Miss Adams, carrying a beautiful crimson rose in her right hand (for this is the council's favorite flower) and in her left a sheet of white paper with lots of typed words on its smooth face.

Let's look more closely! Why, yes, it's a list of the wonderful things these twelve smiling young ladies wish to accomplish for the girls of our school. Do you want to know what some are; perhaps I can tell you. Social festivities, weiner roasts, an attractive rest room, clean locker rooms, friendship, politeness, and good behavior among all girls are a few mentioned in that long list, together with what could justly be their motto: "Ever ready to do our part!"

On they march—their duty awaits! School patriotism is inspired deeply within their hearts.

The Council's officers for this school term are: president, Laura Mae Riggs; vice-president, Mary Kaufman; secretary, Alma Novak; treasurer, Dorothy Schafer; and historian, Esther Meikamp.

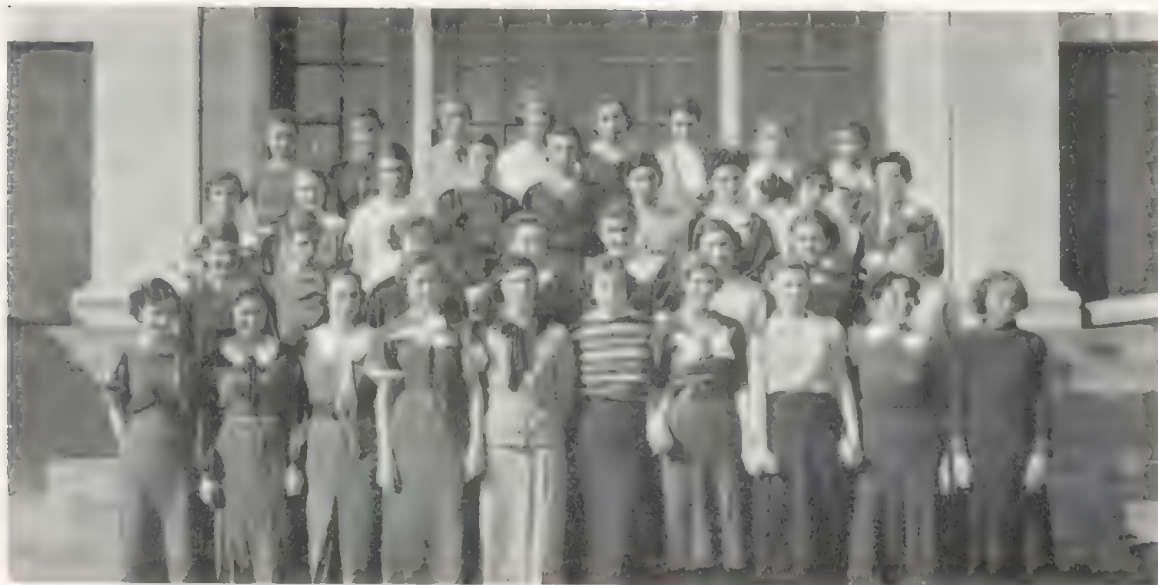

Watson, Kribs, Monroe, Stewart, Ladd, Mottar.  
Sperandio, George, Nix, Russell, Wells, McKittrick, Owsley.  
Mr. Gunn, Kuethe, Overbeck, Stubbs, Herrin, Mr. Love.

### HERBERT HOOVER CHAPTER OF HI-Y

This is an organization formed for the prevention of rolled socks among the student body (I am referring of course only to the boys). We also frown upon red neckties, but we can do nothing to prohibit this, for who can know the circumstances concerning it? It may be that the fellow wearing the red tie is the favorite nephew of a rich aunt who is visiting him at the time. If she gave him this tie, he might even be disinherited if he didn't wear the gift.

But now, let us lapse into seriousness. The Hi-Y was really formed with this one vital purpose in mind—to develop Christian character among the boys, and also to uphold the four essential principles of success, namely, clean living, clean speech, clean athletics, and clean scholarship.

The officers of the club are: president, Edward Herrin; vice-president, Harrison Stubbs; secretary, Raymond Kuethe; treasurer, Sam Overbeck; and advisory member, Mr. Love.

Kellerman, Mack, Miss Weigel, Abbee, Vanzo, Betzold, Raut, Blumberg.  
Blumberg, Troeckler, Schwager, Lee, Kunze, Knaul, Strebler, Trares, Reilly.  
Robinson, Henderson, Dippold, Mateyka, Mindrup, Bernreuther, Piper,  
Donaldson.  
Miller, Kaeser, Wise, Baker, Blase, Weeks, Scheibe, Agles, Giardina, Greenwood.

### GIRLS' ATHLETIC ASSOCIATION

The G. A. A. is a club to make little girls have big muscles, and rosy cheeks without the aid of a compact. That is, it is for those who are interested in athletics. Organized in the fall of 1928, it is a member of the Illinois League of High School Girls' Athletic Associations, and has as its aim the furthering of health, sportsmanship, and athletic ability.

Under the leadership of Miss Oliver, the G. A. A. members hike once a week. Miss Harris coaches them in volley ball, while Miss Quernheim instructs them in baseball, and Miss Weigel is their basketball and tennis coach.

The group provides social activities. Last year we gave a Christmas party for the poor children in town. In early spring the G. A. A. always gives a banquet for the winning team of the girls' interclass basketball tournament. Each year representatives are usually sent to camp and also to participate in Playday activities.

The officers are: president, Lorine Kellerman; vice-president, Bernice Bollman; secretary-treasurer, Caroline Raut; and sponsor, Miss Weigel.

Mudd, Gueltig, Schneider, Mudge, Godfrey.  
Harris, Sperandio, Paproth, Sickbert, Etzkorn, Krumeich.  
Stepanovich, Pierce, Miss Davis, Krumsiek, Coukoulis, Veesart.

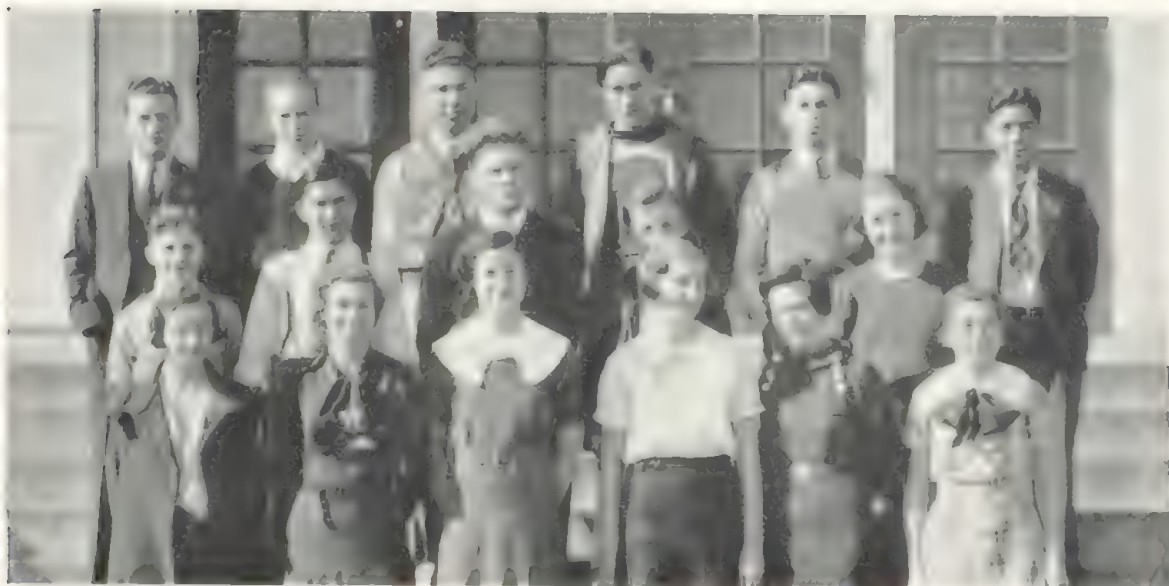

### EDWARDSVILLE HIGH SCHOOL STAMP CLUB

One of the most recent organizations formed in the High School is the Stamp Club, organized on February 5, 1934. On February 12, the officers and committeemen were chosen, and those elected to serve are: president, Joseph Stepanovich; vice-president, Franklin Pierce, and secretary-treasurer, Dick Mudge.

Collecting stamps is a hobby, and often a valuable one. A stamp club enables one to increase his knowledge of stamps, countries, and to dispose of duplicates in exchange for others. For this purpose the stamp club was founded. Some of the best-known men of the present time collect stamps: President Roosevelt, Herbert Hoover, Harold Ickes, and George V of England.

Meetings are held regularly every Monday afternoon during the fifteen-minute period. The dues are fifteen cents a semester; the money collected is used to pay for a scrap-book and a year's subscription to the magazine "Stamps." Miss Davis is in charge of the club. Unusual co-operation has been shown from outside sources.

Mr. Kinsel, Stepanovich, Stahlhut, Monroe, Berger, Catalano.  
Sperandio, Colbert, Handlon, George, Starkey.  
Berner, Ford, Rhoades, Abbee, Reilly, Raut.

### DEBATE CLUB

Have they ever learned to argue? The club was reorganized this fall with a greater membership than ever before, the total being eighteen. It seems that this present economic condition has presented many interesting subjects to be discussed, argued, and debated. Representatives of the club have debated in Cheer Club and against the Shurtleff debate team.

The Debate Club is an organization that the school may well be proud of. Through the Debate Club, members are given opportunities to appear in public and to learn the principles of debating.

The officers this year are: Emil Stahlhut, president; Krome George, vice-president; Judith Reilly, secretary; Glenn Sperandio, treasurer. The club is sponsored by Mr. Kinsel.

C. Blumberg, J. Hentz, A. Stewart, L. Watson, B. Mottar,  
E. Longwisch, M. Hess, M. Blixen, Miss Cheek, J. Attig,  
Miss Sloan, R. Kuethe, V. Vanzo, W. Colbert, C. Reichert.

### CHEER CLUB

The Cheer Club was organized this year under the capable direction of Misses Sloan and Cheek. The following officers were elected: president, Leeds Watson; vice-president, Allister Stewart; treasurer, Joseph Hentz; secretary, William Mottar; typist, Charles Blumberg; accompanist, Julia May Attig; yell leaders, Violet Vanzo, William Colbert, and Raymond Kuethe; song leaders, Jane Pringle and Charles Reichert.

An executive committee composed of the officers and one girl from each class has solved many a problem which arose before the club.

The club has met every Wednesday during the fifteen-minute period and the officers have had complete charge of the meetings. There have been many programs presented before the Cheer Club by its members and outside talent.

The club is the largest ever this year with a total membership of two hundred and fifty. It has served as one of the most important factors in the extra curricular activity of our High School.

This year we feel that the organization has been one truly for the students, by the students, and of the students, and much benefit has been derived by the members who have participated.

Upon meeting, they immediately fall in love, and so after all complications are disposed of and several other love affairs are culminated, they all live happily ever after.

The play was directed by Miss Pergrem.

## BAND CARNIVAL

The first Band Carnival our school has had was held on March 15 and 16. It was a grand affair and the crowds were large. Naturally, Mr. Varner and the band members feel it was well worth all of their efforts to make it a success.

Among the attractions was Chandu the Magician, who still has some of us wondering. Other interests were the gallery of pictures (did you see Mr. Krumsiek and Mr. Blodgett when they both were little), fortune telling, wrestling, a style show, and a Wild West show. The Wood River and Highland bands were also on the program. The main event, of course, was the crowning of the Carnival Queen, Marguerite Hiles, by Reverend Mr. Cummins. The Queen was attended by a special maid and ten other maids.

## —PARTIES—

### HALLOWE'EN PARTY

The annual Hallowe'en party was held in the High School Gymnasium on October 31st at 7 o'clock. Many of the costumes were quaint and attractive. Prizes were awarded, all unmasked, and dancing and refreshments followed.

### JUNIOR-SENIOR PARTY

The Juniors and Seniors went collegiate on January 19. The first thing on the program was the singing of certain college songs. Even the girls were allowed in West Point. Then, of course, dancing followed. It really was a grand party, refreshments included.

### FRESHMAN-SOPHOMORE PARTY

The Freshman-Sophomore party was a real "spring" affair. The track meet was the grand feature at the beginning of the party and later dancing and games furnished entertainment. We wonder if the boys stood on the right side of the gym and the girls on the left. If they didn't, it wasn't a real Freshie-Sophomore party. It couldn't be.

### GIRLS' PARTY

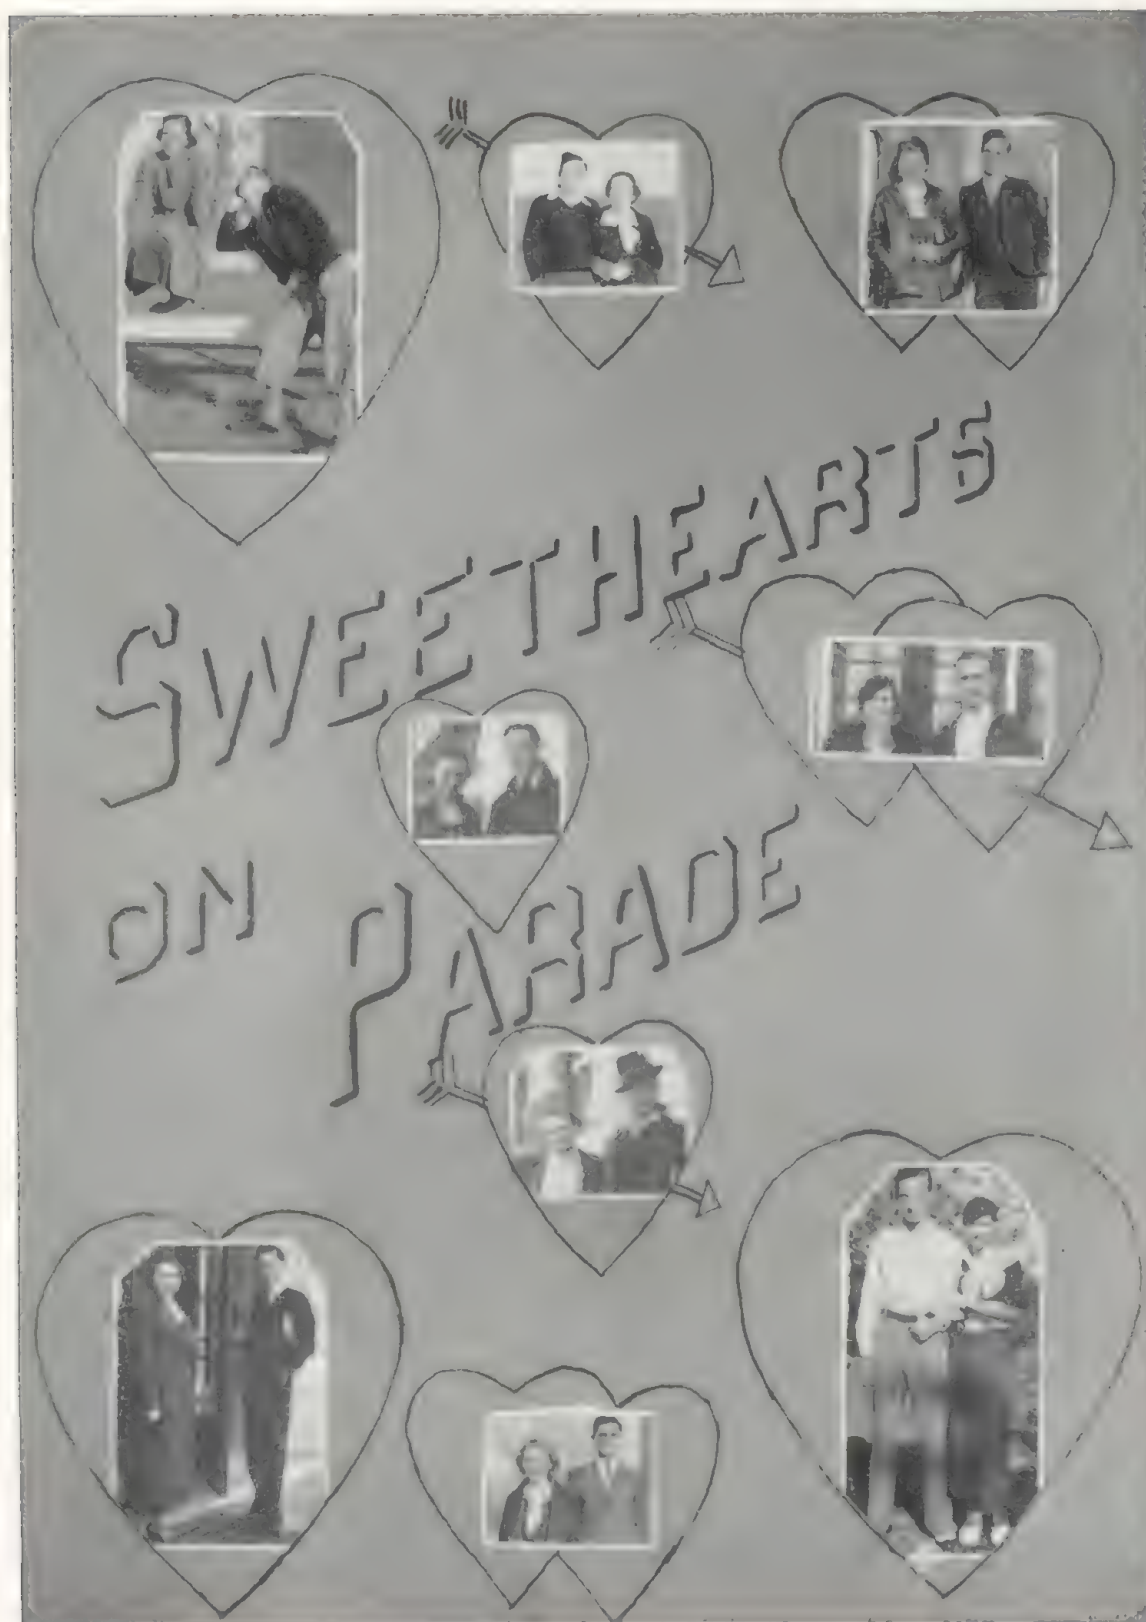

On March 13 the prep girls were guests at a kid party given in the High School gym. All of the girls, of course, dressed as kids and acted quite kiddish. Mary Kaufman was the teacher of a class of naughty children in a little play presented by the Girls' Council. After the play, all joined in the singing of "School Days."

Joe Ladd's orchestra furnished music for dancing and later refreshments were served. All agreed that a kid party really can be lots of fun.

### G. A. A. BANQUET

On Wednesday, March 21, the girls of the G. A. A. had a banquet in honor of the girls who won the basketball tournament. An enjoyable program was given and each member of the winning team who took part in the tournament received a corsage of sweet peas. Each member of the team winning second place received a rose. After the program was concluded, dancing followed.

DECEMBER—

- 1 The day after Thanksgiving and no indigestion?
- 9 Salem wins from us in basketball.
- 13 Football banquet. "Gussie" Hydron football captain for '34.
- 15 The Board of Education gives us the low down on the faculty. So Mr. Blodgett has tangly eye-lashes. Beat Mt. Olive.
- 17 Livingston beat us—in order to pay us back.
- 22 The moral of the Christmas play presented today was, "Take your Christmas gifts and like 'em." Mr. Krumsiek presents the office girls with a delicious box of chocolates. Yum, yum! Alton wins from us 19-18. That really was hard to take.
- 19 Alumni beats our team. However, that is always to be expected.

JANUARY—

- 3 Whoops! Be careful now, Krome! These floors are awfully slippery.
- 5 Edwardsville 18, Belleville 21.
- 6 What a difference just one point can make—Edwardsville 18, Madison 17.
- 12 Miss Olive and Miss Paul visit us. Humph! Guess Collinsville didn't like it when Edwardsville won the football championship. Collinsville 24, Edwardsville 18.
- 13 Beaumont here.
- 16 Mr. Elliott speaks of Liberia.
- 18 Junior-Senior party tonight. Also Edwardsville at East St. Louis.
- 20 Edwardsville at Wood River.
- 22 Review for semester exams begins. Now we really must get down and dig.
- 25 Exams. What torture we do endure.
- 26 More exams.
- 30 Oh, those awful report cards! They take all the joy out of life.
- 31 First real day of a new semester. We sincerely hope the results are better.

FEBRUARY —

- 2 Alton is defeated by the Tigers.
- 3 Belleville, too, is defeated by the Tigers. Going to town, aren't we?

## FEATURES

---

- 5 If you've never seen sardines in a can, then take a look at the library filled with Preps. The impression is the same.
- 12 Something new which our school really should have—pillows on the floor in front of the library shelves. Bobby Judd so often gets his trousers dusty sitting on the floor there.
- 16 Pep meeting. Team members make speeches.
- 17 Defeated by Collinsville.
- 22 Did you ever see such a mushy play?
- 26 It would snow.
- 27 Mr. Brown presents a mystery lyceum number.

### MARCH—

- 1 Concert by the band. Now, of course, we all love xylophones, and why not?
- 2 Granite City here—beat us by one point.
- 5 Flunk slips ready to go out. Notice the increased ambition?
- 6 Assembly concerning “do’s” and “don’t’s” of the tournament.
- 9 Collinsville ruins our chances in the tournament.
- 10 Granite City vs. Collinsville. Edwardsville vs. Wood River. Two real exciting games with Granite and Edwardsville coming through successful.
- 13 Girls’ kid party tonight.
- 15 Beginning of the Band Carnival.
- 16 Marguerite Hiles crowned Queen of the Carnival.
- 19 Have you ever watched the kids from Glen Carbon pile out of the bus? More kids, and more kids, and still more, and finally—the last one steps out.
- 21 G. A. A. basketball banquet.
- 23 Have you seen two Sophomore girls riding to school on a tandem? The good old days are back again.
- 27 Debate between Shurtleff and E. H. S. P. E. demonstration tonight which really was grand.
- 29 False alarm! No lyceum number after all.

### APRIL—

- 4 Cooking class and home management class to go to the Hunter Brothers’ Packing Company and stockyards. Quite interesting, but—!
- 5 Lyceum number—“I Want to Ring Bells.”
- 6 No school. Teachers’ meeting.
- 11 Band concert in the gym this morning to celebrate winning in first district.
- 13 Fellows give fashion show! Was that good!

The Student Body and Faculty of E. H. S.

## YE CLASS PROPHECY

We, the Class of 1934, do hereby prophesy, foretell, or guess, that the underwritten events are bound to happen at least by the year of 1980.

Ah! yes, here we are back in dear old E. H. S. in 1950, but the teaching staff has changed. You would hardly know any of them. Mr. Gunn left the school several years back, through the roof, and we haven't heard of him since, but his place is filled with one of the greatest chemists in the United States today, Richard Shaffer. We have a new coach, too, one of the greatest tumblers and athletes of all times, Virgil Ostendorf, and Mr. Harrison Stubbs is teaching a boy's course in cooking and sewing. The Junior boys have just finished sewing their first night dresses and they are on display now. Mr. S. Overbeck is now conducting classes in Math. Miss Betty Ford in History, and a struggling new teacher has begun this year in Latin, Billy Catalano. On the whole, the dear old school is buzzing right along under our principal, Leeds Watson.

Ruth Agles, Margaret Baker, Mary Hess, Ellen Kane, Ruth Piper, and Edna Wise now compose one of the most famous dancing troupes today, under the able managership of Ray Kuethe. Most of these girls have reached, or nearly reached, their twentieth birthday now and are doing quite well considering their youth. Traveling with this troupe is a celebrated Broadway tap and toe dancer, the Edwardsville Wonder, Wilbur Zirges.

Oliver Nix, Robert McKittrick, and Cecil Wells have finally reached the highest point of their desire. By starving and skimp-

ing they have finally built an original three-seated plane which has air brakes and flies backwards.

Robert Waugh has taken up music in a scientific way. His latest volume contains a very outstanding selection on "How to play 'Yankee Doodle' on a Bowl of Noodle Soup." Charles Blumberg has just written a new song hit entitled "Summer Is the Season That in Winter You Try to Keep Your House As Warm As." This song is adored by the public when crooned over the air by Tillo Tenor, accompanied by George Little on the piccolo. Adam Elik, an important mathematician in the city of Coonsborough, Kentucky, has just advanced the daring statement that twelve inches make a foot.

Now, in the home for the insane at Jacksonville, Rose Marie Mindrup is telling Bernice Bollman and Jane Dunlap the horrors of falling in love, while in the next cell Robert Dustman is trying to comfort Don Dunstedter, who broke his leg yesterday by throwing a cigarette butt in a manhole and then stepping on it.

Roy Sievers and Terry Gueltig are now residing at the Madison County jail. They are in for "Defamation of Character." They sent a tin can to Henry Ford and ask that it be reconditioned.

Betty Brown, Norma Francis, and Louise Borman are hostesses at one of Edwardsville's biggest night clubs—the one that is run by the honorable Mr. Laverne Dauderman. And, by the way, our old friends Elroy Well and Earle Ingels are the chief bouncers; you should see them bounce.

But wonder of wonders, the 1950 Olympic games were held in St. Louis and none other than Deacon Joseph was announced the champion all-round athlete in the world today. However, our school champion athlete back in 1934, Horace Meade, is not far behind him in points. A special feature of the games was the exhibition of the world's fattest lady and man, Verla Kaeser and William Crossman, and Melvin Winter, who is known as the bearded lady, was there, too.

David Cunningham has invented a perpetual motion machine which he calls his Complex Intricatecary Diobolicaxim Xymptorium. W. Nietert and Hon. Judge Mr. Dazz Shaffer have closely examined it from a scientific standpoint and have pronounced it perfect except that it won't run.

Of course, we have our share of loyal housewives and henpecks in our class, but we think we have a very loyal graduating class in that we are all present every year, everyone of us, at a banquet given by the multi-millionaire, C. Jensen. Believe it or not.

—JOKES—

"Why did you break your engagement with that teacher?"

"Well, I didn't show up the other night and she wanted me to bring a written excuse from my mother."

—E—H—S—

She was only a tailor's daughter, but she suited me.

—E—H—S—

Early to bed,  
And early to rise,  
Then your girl goes out  
With other guys.—Swiped!

—E—H—S—

Maurice Sickbert: "Hey, what's the matter with your jaw?"

Murl Sickbert: "That girl over there cracked a smile."

Maurice: "How could that hurt you?"

Murl: "It was my smile she cracked."

—E—H—S—

Captain: "The enemy is as thick as peas. What shall we do?"

General: "Shell them, you idiot! Shell them!"

—E—H—S—

Back seat driver talk is all the bunk. I've driven a car for ten years and I've never had a word from behind.

What sort of car?

A hearse!

—E—H—S—

Coed: "Aren't we beneath the mistletoe?"

Law Stude: "Fact's admitted, but find no cause for action."

—E—H—S—

A bird in hand is bad table manners.

—E—H—S—

Adam: "Eve, you've gone and put my dress suit in the salad again."

—E—H—S—

Minister: "And where do bad little girls go?"

Freshie: "Everywhere, sir."

—E—H—S—

Mr. Gunn: "Every new thought that enters your brain makes a new crease in it. What are these called?"

Berger: "Wise cracks."

—E—H—S—

Marylee: "Where's your new car?"

Miss Pergrem: "I don't have it any more."

Marylee: "Why not?"

Miss Pergrem: "Oh, I drove it into the lake to see if it had 'floating power.'"

Mrs. Longwish: "Did you give the goldfish water this morning?"

Edna L.: "Why, they didn't drink the water I gave them yesterday yet."

—E—H—S—

Have you heard about the cow who drank blue ink and Mood Indigo?

—E—H—S—

Dolores: "Gee, these shoes are killing me!"

Charlie: "Well, they aren't exactly roses in my path, either."

—E—H—S—

He: "Do you enjoy Kipling?"

She: "I don't know—how do you kipple?"

—E—H—S—

Sign in a laundry window: We do not tear your clothes with machinery. We do it by hand.

—E—H—S—

Miss Adams: "What is an after-dinner mint?"

Wilbur M.: "The fellow who pays the check."

—E—H—S—

Florence Dustman: "Last week I bought a tire cover from you. I want my money back."

Clerk: "Why?"

F. D.: "I put it on my tire and hadn't driven ten miles 'fore the blamed thing wore out!"

—E—H—S—

Miss Weigel: "Allen, what is the definition of the word, 'spine?'"

Allen: "Spine is a long, limber bone. Your head sets on one end and you set on the other."

—E—H—S—

Miss Cheek: "James, please tell me where shingles were first used."

James: "I could, ma'am (in embarrassment) but I'd rather not."

—E—H—S—

Mother: "It is very naughty to tell untruths, Betty. Those who do so never go to heaven."

Betty: "Don't you ever tell an untruth, Mummy?"

Mother: "No, dear—never."

Betty: "Well, you'll be fearfully lonely, won't you, with only George Washington?"

—E—H—S—

He: "Do you think your father would be willing to help me in the future?"

She: "Well, I heard him say he felt like kicking you into the middle of next week."

—JOKES—

Lucille went to school for the first time. "Well, darling, and what did you learn?" asked her mother on Lucille's return.

"Nuffin," sighed Lucille, hopelessly. "I've got to go back tomorrow."

—E—H—S—

Marie Buckles: "Did you hear about the awful trouble that has befallen Mrs. Talkalot?"

Betty Tuxhorn: "Don't tell me she lost her voice!"

Marie Buckles: "No, her husband lost his hearing."

E—H—S—

A little five-year-old girl was taught to close her evening prayer during her father's absence with, "And please watch over my papa." It sounded very sweet, but imagine her mother's amazement when the child added: "And you'd better keep an eye on Mama, too!"

—E—H—S—

Un Bon Mot.

A Frenchman after a few months study of English wrote to his American friend, "In small time I can learn so many English as I think I will come at the American and go on the scaffold to lecture."

—E—H—S—

Miss Gewe: "Harriet, have you whispered today without permission?"

Harriet: "Only wunst."

Miss Gewe: "Dorothy, should Harriet have said wunst?"

Dorothy: "No'm; she should have said twice."

—E—H—S—

A boy and his mother were taking in a circus. Looking at the hippopotamus he said, "Ma, ain't that the uglish damn thing you ever saw?"

"Bill," said his Ma, "didn't I tell you never to say 'aint'?"

—E—H—S—

"Nooky" was reading a self-composed composition on "Grant's work in the Civil War." She got on swimmingly until she reached Lee's surrender. She then told how Lee was handsomely attired in full uniform. "While Grant," she announced, "had on nothing but an old ragged union suit."

—E—H—S—

Senior: "Say, Freshie, give us a dime to help the Old Ladies' Home."

Freshie: "What! Are they out again?"

Clark Baker: "Hear about Buzzie? He swallowed a camera film."

Fred Bartels: "Gosh, I hope nothing serious develops!"

—E—H—S—

Chubby: "Engaged to four girls at once! How's he explain that?"

Sam: "He doesn't explain it. I guess Cupid must have shot him with a machine gun."

—E—H—S—

A drunkard generally quotes Latin, "Hic, haec, hoc"—but fails to apply geometry, "The shortest distance between two points is a straight line joining them."

—E—H—S—

Miss Gewe: "Tell me the dative of donum."

Jane: "Don't know."

Miss Gewe: "Correct, for once!"

—E—H—S—

A neighbor: "Ah! You have a dog. I thought you did not like dogs."

Mr. Krumsiek: "Well, I don't, but my wife picked up a lot of dog soap at a bargain sale."

—E—H—S—

Beneath the spreading chestnut tree

A smith works like the duce

For now he spends his time selling

Gasoline, hot-dogs, and orange juice.

—E—H—S—

Allister: "Pa, what are ancestors?"

Father: "Well, I'm one of yours. Your grandpa is another."

Allister: "Oh! Then why is it that folks always brag about them?"

—E—H—S—

Miss Sloan: "Surely you know what word 'mirror' means, Tommy. After you've washed your face, what do you look at to see if it's clean?"

Tommy: "The towel, ma'am!"

—E—H—S—

She (at basketball game): "I don't see how that referee can keep so cool."

He: "That's easy. Look at all the fans around him."

—E—H—S—

Miss Wood: "Lester, give me a sentence with the word 'flippancy.'"

Lester: "Let's flippancy whether I pass or flunk."

—E—H—S—

Ben be nimble, Ben be quick,

Ben jumped over a candlestick, Ben Bernie!

Her: "Nothing doing. I'm just as sensible as I look."

E—H—S—

Old Lady: "Son, can you direct me to the National Bank?"

Freshie: "Yes'um, for a quarter."

Old Lady: "Isn't that pretty high for a director?"

Freshie: "No, ma'am, not for a bank director."

E—H—S—

The proud man assented.

Frances: "Yes'm, and put in some fresh."

E—H—S—

Miss Seibert: "Marguerite, give me an example of period furniture."

M. H.: "An electric chair."

Miss Weigel absent mindedly called her class together shortly after lunch hour. "Our special work this afternoon will be the inspection of the inward workings of a cat. I have a specimen cat here in my pocket." She reached into her pocket and pulled out a paper sack, shook its contents onto the table, and out rolled a ham sandwich. She looked perplexed, scratcher her head, and muttered, "That's funny. I distinctly remember eating my lunch."

**Editor's Lament.**

Editing for an annual is no picnic.

If you publish things from other annuals you are too lazy to write.

If you publish original matter, they say you lack variety.

If you stay on the job, you ought to be out rustling news.

If you don't print contributions, you don't show proper appreciation.

If you do print them, the annual is filled with junk.

Like as not somebody will say I swiped this from another annual.

—They're right! I did.

—E—H—S—

**Did You Know—**

1. Since they've been blasting for new subways in the vicinity of the absent-minded professor's home, he has dated all his letters July Fourth.
2. An absent-minded physician, courting a girl, charged her two dollars a visit.
3. The story of the absent-minded professor who rolled under the dresser and waited for his collar button to find him.
4. People who live in stone houses should not throw glasses.
5. Increase of autos suggests propriety of changing national flower from goldenrod to car-nation.
6. One small jack can lift a car, but it takes a lot of jack to keep it up.
7. That healthy babies should be a delicate pink. Most of them are robust yellows.
8. Christmas comes, but once a year's enough.
9. A dachshund is a half-a-dog high and a dog-and-a-half long.
10. A rolling football gathers no score.
11. A philosopher calmly defined the exact difference between life and love as: "Life is just one fool thing after another." "Love is just two fool things after each other."

Mark Twain told of the boat which had to stop everytime the whistle blew—it's bad to stop saving to blow the whistle.

There may be a day when money saved may mean to you the difference between failure and success.
